# DENNYS GABRIEL MARQUEZ FLORES

**Audio Production & Voice Recording | Software Development**

Arequipa, Peru | dennys.marquez.dev@gmail.com | Native Peruvian Spanish Speaker

## PROFESSIONAL SUMMARY

I hold a degree in Software Design and Development from TECSUP and have hands-on experience in music production, recording, and vocal mixing for local artists in Peru. Proficient in Ableton Live Lite, with skills in audio editing, sound processing, mixing, and mastering. As a native Peruvian Spanish speaker, I have practiced sentence recording using Shujiajia and worked on voice-interaction features for AhorraTiempo.pe. I combine technical knowledge and attentive listening to support audio production, speech data collection, and AI-related projects.

## AUDIO AND MUSIC PRODUCTION SKILLS

**Voice recording.** Recording spoken and sung vocals, reading sentences in Peruvian Spanish, and reviewing recordings by ear.

**Music production, mixing & mastering.** Recording and editing music, vocal mixing, drum sound processing, general audio mixing, and mastering.

**Audio tools.** Ableton Live Lite and Blue Yeti Nano USB microphone.

## RELEVANT EXPERIENCE AND PROJECTS

**Music and Vocal Recording for Local Artists | Independent Work**

Recorded music and vocals for local singers in Peru. Worked on audio editing, vocal mixing, drum sound processing, overall mixing, and mastering using Ableton Live Lite.

**Peruvian Spanish Voice Recordings | Shujiajia Practice**

Practiced recording spoken prompts and sentence-reading samples in Peruvian Spanish using Shujiajia, following recording instructions and reviewing sound quality.

**AhorraTiempo.pe | Voice-Enabled Software Project**

Developed a digital platform for administrative services featuring AI-powered voice assistance, applying software development skills to spoken user interactions.

## TOOLS AND TECHNICAL KNOWLEDGE

Audio: Ableton Live Lite, Blue Yeti Nano USB microphone, and Shujiajia. Software: web and mobile development, Flutter, React, and TypeScript.

## EDUCATION

**TECSUP | Degree in Software Design and Development** | Completed in 2024. GPA: 18/20; top third of class.

**Universidad Continental | Accounting and Finance** | Currently studying; transferring and validating prior coursework.

## LANGUAGES

**Spanish (Peru):** Native. English: Intermediate (B1).
